HEALTHCARE

Medical

Montefiore offers two Medical options from which you can choose – MontePrime EPO and MonteCare PPO – or you can waive coverage.

Care Guidance

Montefiore also offers a confidential, personal health management program that provides health and lifestyle support to associates and their family members who are covered by Montefiore's medical plans. It's entirely voluntary, completely confidential and totally free! For more information, call 855.MMC.WELL (855.662.9355) or email mmccareguidance@montefiore.org.

Provider Networks

MontePrime EPO and MonteCare PPO both use provider networks. However they are not identical.

- MontePrime EPO requires you to use in-network providers to receive benefits. No benefits are paid for out-of-network care except in a bona fide emergency.
- MonteCare PPO gives you the flexibility to choose any provider you wish (however, you'll pay more for healthcare services from Network Non-preferred Facilities).

Montefiore pays 100% of the MontePrime EPO premium for you and your family members. You and Montefiore share the premium cost of MonteCare PPO medical coverage.

¹ Pre-certification will ensure that services are medically necessary and provided in an appropriate treatment setting.

² Reasonable and Customary charges are based on 150% of the National Medicare Physician Fee Schedule. The Plan benefit is then determined by applying the cost-sharing percentage to this amount; you are responsible for paying the balance of the bill to the provider.

³ If services are billed by a facility, then percentages are applied to covered charges which are based on the rate paid to like-kind Empire in-network facilities if the facility is within the Empire area (i.e., the New York metropolitan area including NJ and CT) or the facility's actual charge if it is outside of the Empire area.

- difference in cost between the generic and the preferred brand name medication at Montefiore's Outpatient Pharmacies
- retail or mail order generic copayment plus the difference in cost between the generic and the preferred formulary brand name medication.

²If you use a non-participating pharmacy in an area where there is a participating pharmacy available, your reimbursement will be 75% of the R&C cost of the prescription.

Prescription Drug Out-of-pocket Maximum

Your share of out-of-pocket prescription drug expenses are limited to:

- MontePrime EPO — \$750 for any one covered person (\$1,500 for a family) for prescriptions obtained from Montefiore outpatient pharmacies.
- MonteCare PPO — \$1,500 for any one covered person (\$3,000 for a family) for prescriptions obtained from Montefiore outpatient pharmacies, Express Scripts participating retail pharmacies, home delivery pharmacy service and out-of-network pharmacies.

Once the maximum is reached, the Plan pays 100% of any remaining prescription drug expense for that individual for the rest of the calendar year. The expenses of any remaining family member or members would then be applied to the family maximum amount. No one individual is required to pay more than the individual out-of-pocket amount.

Dental

You can waive coverage or select one of the following:

- Preventive & Diagnostic Dental Care only — Montefiore pays for the full cost of coverage for you and your family.
- Cigna DPPO Dental Plan — You and Montefiore share the cost of coverage.
- Cigna Dental Care (DHMO) — You are required to use dentists in the Cigna DHMO network. Montefiore pays the full cost of coverage.

Dental Plan Reimbursement Levels

In-network Benefits

The Preventive & Diagnostic Dental Care and Cigna DPPO Dental Plan options provide access to the Total Cigna DPPO Network which includes Montefiore's Department of Dentistry.

Reimbursement levels for these plans are based on contracted fees with providers in the network. These contracted fees lower your out-of-pocket costs. It does not affect the cost-sharing percentages for care established by the Plan.

You are not required to use these providers. However, you may save money if you do.

Out-of-network Benefits

If you go outside of the Total Cigna DPPO Network, reimbursement levels are based on the Cigna Fee Schedule. It does not affect the cost-sharing percentages for care established by the Plan. For example, if you visit a dentist outside of the network for Basic Restorative Care, the Plan pays 80% of the Cigna Fee Schedule (not the Billed Charges) and you are responsible for 20% of the Cigna Fee Schedule plus the difference between Billed Charges and the Cigna Fee Schedule.

FSA/GROUP LEGAL

Flexible Spending Accounts

< You can establish a Flexible Spending Account (FSA) to pay out-of-pocket healthcare and/or dependent care expenses for you and your family members with dollars that are never taxed. Your contributions are deducted from each bi-weekly paycheck before taxes are calculated and withheld, lowering your taxable income.

- Use the Healthcare Account to pay out-of-pocket healthcare expenses for you and anyone you claim as a dependent on your federal income tax return – as well as children to age 26, regardless of whether they are dependent upon you – and whether or not they are enrolled in Montefiore's medical and/or dental plans. You may contribute up to \$2,700 each year to this account.
- Use the Dependent Care Account to pay day care related expenses for children under age 13 and/or an incapacitated adult you claim as a dependent on your federal income tax return. The care must be necessary so that you (and your spouse if you are married) can work. You may contribute up to \$5,000 each year to this account.

Group Legal Services

Are you buying a home, getting married or planning to adopt a child? Discover how Hyatt Legal Plans can help you. This coverage helps pay all or part of the cost of a wide range of personal legal services — for you and your covered family members — through a network of participating attorneys. You pay the full cost of coverage through regular payroll deductions on an after-tax basis. You may use any lawyer, although a greater portion of your cost is generally paid if you use the services of an in-network attorney. >

FINANCIAL SECURITY

Voluntary Tax Deferred Annuity 403(b) Plan

Pre-tax Contributions

Your before-tax contributions are deducted from your paycheck and accumulate earnings on a tax-deferred basis. Qualified distributions of your contributions and earnings are taxable at the time of withdrawal.

Annual Increase Program (AIP)

The Annual Increase Program allows you to increase your contributions automatically each year. It's an easy way to help keep yourself on track, as you get closer to retirement. Choose the amount and date for your contributions to increase by the amount you elected.

Roth Elective Deferral Post-tax Option

If you participate in the Voluntary Tax Deferred Annuity 403(b) Plan you may also make after-tax (Roth Elective Deferral) contributions to the plan. An after-tax contribution means that the contribution is taken out of your pay after taxes have been withheld. Qualified distributions of Roth after-tax contributions plus any earnings on those contributions will be tax-free.

Maximum Contributions

You may simultaneously make both pre-tax elective deferral contributions and Roth after-tax elective deferral contributions to the Voluntary Tax Deferred Annuity 403(b) Plan. However, the combined maximum elective deferral contribution cannot exceed the annual Internal Revenue Service maximum. For 2019, you can save up to a maximum of \$19,000. If you are 50 or older in 2019, you can make an additional catch-up contribution of \$6,000.
