HEALTHCARE

Medical

Einstein offers two Medical options from which you can choose – MonteCare EPO and MonteCare PPO – or you can waive coverage.

Provider Networks

MonteCare EPO and MonteCare PPO both use the Empire Network (Preferred and Non-preferred Facilities) and Montefiore Network:

- MonteCare EPO requires you to use in-network providers to receive benefits. Your share of the cost will be higher when you use Empire Network Non-preferred Facilities.
- MonteCare PPO gives you the flexibility to choose any provider you wish (however, you'll pay more for healthcare services from Network Non-preferred Facilities).

Care Guidance

The Care Guidance Program for Einstein employees provides you with a Personal Health Nurse (PHN) who will work one-on-one with you for as long and as often as you need. This is a voluntary program that can provide support and resources to help you, or a member of your family, manage your or their health. Einstein provides this program at no cost to Einstein employees and their family members who are covered by Montefiore's Empire BlueCross BlueShield medical plans. All services are completely confidential and at any point in time, you have the opportunity to OPT OUT of the program. For more information, call 855.MMC.WELL (855.662.9355) or email mmccareguidance@montefiore.org.

Prescription Drug Benefits

< Montefiore Community Outpatient Pharmacy

You can use the Montefiore Community Pharmacy at Montefiore Moses Hospital, 110 East 210th Street, Bronx, NY 10467 to have your prescriptions electronically prescribed.

To begin, you must enroll in the Montefiore Outpatient Pharmacy Management System. To enroll in the Montefiore Outpatient Pharmacy system, go to www.montefiore.org/montefiorepharmacy and complete the Pharmacy Registration Form. Be sure to select your default delivery location as Einstein COM (Einstein Pharmacy).

The Outpatient Pharmacy will send your prescription to the Jack D. Weiler Hospital Pharmacy, 1825 Eastchester Rd, Bronx, NY 10461, located on the first floor of the hospital, where you can pick it up. All prescriptions requested by 11am Monday through Friday will be ready for pick-up at the Weiler Hospital pharmacy the same day after 2pm. Prescriptions are available for pick-up Monday through Friday 8:00am through 5:00pm.

Prescription Drug Out-of-pocket Maximum

Your share of expenses for prescriptions obtained from Montefiore outpatient pharmacies, Express Scripts participating retail pharmacies, the home delivery pharmacy service or out-of-network pharmacies is limited to \$1,500 for any one covered person (\$3,000 for a family) in a calendar year. Once that maximum is reached, the Plan pays 100% of any remaining prescription drug expenses for that individual for the rest of the calendar year.

If you purchase a brand name medication (preferred or non-preferred) when a generic equivalent is available, you are responsible for the retail or mail order generic copayment plus the difference in cost between the generic and the brand name medication. The difference in cost between generic and the brand name medications is not included in the out-of-pocket maximum and is not eligible for 100% reimbursement after the out-of-pocket maximum has been met.

Dental

You can waive coverage or select one of the following:

- Preventive & Diagnostic Dental Care.
- Cigna DPPO Dental Plan.
- Cigna DPPO Enhanced Dental Plan.
- Cigna Dental Care (DHMO).

Dental Plan Reimbursement Levels

In-network Benefits

The Preventive & Diagnostic Dental Care, Cigna DPPO Dental Plan and Cigna DPPO Enhanced Dental Plan options provide access to the Total Cigna DPPO Network which includes Montefiore's Department of Dentistry.

Reimbursement levels for these plans are based on contracted fees with providers in the network. These contracted fees lower your out-of-pocket costs. It does not affect the cost-sharing percentages for care established by the Plan. You are not required to use these providers. However, you may save money if you do.

Out-of-network Benefits

If you go outside of the Total Cigna DPPO Network, reimbursement levels are based on the Cigna Fee Schedule. It does not affect the cost-sharing percentages for care established by the Plan. For example, if you visit a dentist outside of the network for Basic Restorative Care, the Plan pays 80% of the Cigna Fee Schedule (not the Billed Charges) and you are responsible for 20% of the Cigna Fee Schedule plus the difference between Billed Charges and the Cigna Fee Schedule.

You pay the cost of dental coverage during your first year at Einstein. After one year, Einstein begins to subsidize the premiums for Preventive and Diagnostic Care, DPPO and the DPPO Enhanced dental plans.

Note: If you do not enroll within 30 days of the date you first become eligible, you will automatically be enrolled in Preventive & Diagnostic dental coverage for **yourself only**.

FSA/GROUP LEGAL

Flexible Spending Accounts

< You can establish a Flexible Spending Account (FSA) to pay out-of-pocket healthcare and/or dependent care expenses for you and your family members with dollars that are never taxed. Your contributions are deducted from each paycheck before taxes are calculated and withheld, lowering your taxable income.

- Use the Healthcare Account to pay out-of-pocket healthcare expenses for you and anyone you claim as a dependent on your federal income tax return – as well as children to age 26, regardless of whether they are dependent upon you – and whether or not they are enrolled in the medical and/or dental plans. You may contribute up to \$2,750 each year to this account.
- Use the Dependent Care Account to pay day care related expenses for children under age 13 and/or an incapacitated adult you claim as a dependent on your federal income tax return. The care must be necessary so that you (and your spouse if you are married) can work. You may contribute up to \$5,000 each year to this account.

Group Legal Services

> Are you buying a home, getting married or planning to adopt a child? Discover how Hyatt Legal Plans can help you. This coverage helps pay all or part of the cost of a wide range of personal legal services – for you and your covered family members – through a network of participating attorneys. You pay the full cost of coverage through regular payroll deductions on an after-tax basis. You may use any lawyer, although a greater portion of your cost is generally paid if you use the services of an in-network attorney.

BTA, LIFE & ACCIDENT INSURANCE

Business Travel Accident (BTA) Insurance

In addition to your Life and Accident Insurance, this plan pays benefits in case of your death or dismemberment as the result of an accident while traveling on Einstein business. Einstein provides BTA Insurance equal to four times your annual base salary (minimum benefit \$100,000; maximum benefit \$1,000,000) at no cost to you.

Life & Accident Insurance

Life Insurance is designed to pay a benefit to your beneficiary if you die from any cause while coverage is in effect. Accidental Death & Dismemberment (AD&D) Insurance pays a benefit to you or to your beneficiary for covered losses including loss of limbs, sight, speech and hearing, various forms of paralysis and coma. You make separate elections for Life and Accident Insurance.

- **Basic Life Insurance** – Einstein provides Basic Life Insurance equal to one times your annual base salary (annual base salary is capped at \$250,000) – at no cost to you after you complete one year at Einstein or you may waive coverage. For the first year, you pay the full cost of Basic Life Insurance. Age reductions do apply. If your annual salary is greater than \$50,000, you may lower your coverage to \$50,000 to avoid imputed income. If you elect \$50,000 or waive coverage and, in the future, decide to elect the full Basic Life Insurance amount, you will be required to submit Evidence of Insurability.
- **Supplemental Life Insurance** – You may elect Supplemental Life Insurance coverage from one to eight times your annual base salary (annual base salary is capped at \$250,000) up to a maximum of \$1,000,000. Age reductions do apply. Amounts in excess of the lesser of three times your annual base salary or \$750,000 require Evidence of Insurability. You pay the cost of Supplemental Life Insurance based on your age, whether or not you use tobacco and the amount of coverage you elect.
- **Dependent Life Insurance** – If you are insured for Life Insurance, you may select from two Dependent Life Insurance options or elect no coverage. The two options are:
 - \$10,000 for your spouse; \$5,000 for each child.
 - \$20,000 for your spouse; \$10,000 for each child.
- **Basic AD&D Insurance** – Einstein provides Basic AD&D Insurance equal to one times your annual base salary (annual base salary is capped at \$250,000) – at no cost to you after you complete one year at Einstein or you can waive coverage. Age reductions do apply.
- **Supplemental AD&D Insurance** – You may elect Supplemental AD&D Insurance coverage from one to eight times your annual base salary (up to a maximum of \$750,000). You must elect Basic AD&D coverage to elect Supplemental AD&D. No Evidence of Insurability is required. Premiums are based on the amount of coverage you elect. The combined amount of Basic and Supplemental AD&D insurance cannot exceed the lesser of nine times your annual base salary or \$1,000,000.
- **Dependent AD&D Insurance** – If you elect Supplemental AD&D Insurance, you may also choose coverage for your spouse and/or child(ren) in \$10,000 increments (up to a maximum of the lesser of eight times your annual base salary or \$350,000 for your spouse and the lesser of one times your annual base salary or \$50,000 for each child). You pay the full cost of Dependent AD&D coverage.

FINANCIAL SECURITY

Einstein 403(b) Retirement Income Plan

The Einstein 403(b) Retirement Income Plan is a defined contribution plan administered by Fidelity Investments. You can choose to contribute on a pre-tax basis which reduces your taxable income now, or you can choose to make Roth after-tax contributions to the plan or a combination of both.

Pre-tax Contributions

Your before-tax contributions are deducted from your paycheck and accumulate earnings on a tax-deferred basis. Qualified distributions of your contributions and earnings are taxable at the time of withdrawal.

Roth Elective Deferral Post-tax Option

If you participate in the Einstein 403(b) Retirement Income Plan you may also make after-tax (Roth Elective Deferral) contributions to the plan. An after-tax contribution means that the contribution is taken out of your pay after taxes have been withheld. Qualified distributions of Roth after-tax contributions plus any earnings on those contributions will be tax-free; assuming certain conditions are met.

Automatic Enrollment

If you are newly eligible you will automatically be enrolled in the Albert Einstein College of Medicine 403(b) Plan at a 4% pre-tax contribution which will automatically increase each year by 1% until it stops at 8%. Your contributions will begin after 30 days at Einstein. You can opt out of auto-enrollment at any time.

At any time during the year, to decline participation, direct your investments or change your contributions go to www.403b.com.

Annual Increase Program (AIP)

The Annual Increase Program allows you to increase your contributions automatically each year. It's an easy way to help keep yourself on track, as you get closer to retirement. Choose the amount and date for your contributions to increase by the amount you elected.

Einstein Contributions

For eligible employees, Einstein provides a non-elective contribution equal to 7.5% of base pay up to an annual compensation limit of \$265,000.

You must meet a 3-year service requirement in order to become vested. Vesting is your nonforfeitable right to the value of your account — Einstein's contributions and earnings on these contributions.

Maximum Contributions

You may simultaneously make both pre-tax elective deferral contributions and Roth after-tax elective deferral contributions to the Einstein 403(b) Retirement Income Plan. However, the combined maximum elective deferral contribution cannot exceed the annual Internal Revenue Service maximum. For 2020, you can save up to a maximum of \$19,500 each year. If you are 50 or older in 2020, you can make an additional catch-up contribution of \$6,500.
