## HEALTHCARE

### Medical

Einstein offers two Medical options from which you can choose – MontePrime EPO and MonteCare PPO – or you can waive coverage.

### < Provider Networks

MontePrime EPO and MonteCare PPO both use provider networks. However they are not identical:

- MontePrime EPO requires you to use in-network providers to receive benefits. No benefits are paid for out-of-network care except in a bona fide emergency.
- MonteCare PPO gives you the flexibility to choose any provider you wish (however, you'll pay more for healthcare services from Network Non-preferred Facilities).

### Care Guidance

The Care Guidance Program for Einstein employees provides you with a Personal Health Nurse (PHN) who will work one-on-one with you for as long and as often as you need. This is a voluntary program that can provide support and resources to help you, or a member of your family, manage your or their health. Einstein provides this program at no cost to Einstein employees and their family members who are covered by Montefiore's Empire BlueCross BlueShield medical plans. All services are completely confidential and at any point in time, you have the opportunity to OPT OUT of the program. For more information, call 855.MMC.WELL (855.662.9355) or email [mmccareguidance@montefiore.org](mailto:mmccareguidance@montefiore.org).

<sup>1</sup> Pre-certification will ensure that services are medically necessary and provided in an appropriate treatment setting.

<sup>2</sup> Reasonable and Customary charges are based on 150% of the National Medicare Physician Fee Schedule. The Plan benefit is then determined by applying the cost-sharing percentage to this amount; you are responsible for paying the balance of the bill to the provider.

<sup>3</sup> If services are billed by a facility, then percentages are applied to covered charges which are based on the rate paid to like-kind Empire in-network facilities if the facility is within the Empire area (i.e., the New York metropolitan area including NJ and CT) or the facilities actual charge if it outside of the Empire area.

## HEALTHCARE

### Prescription Drug Benefits

#### Montefiore Community Outpatient Pharmacy

< You may use the Montefiore Community Pharmacy at Montefiore Moses Hospital, 110 East 210th Street, Bronx, NY 10467 to have your prescriptions electronically prescribed.

To begin, you must enroll in the Montefiore Outpatient Management System. To enroll, go to [www.montefiore.org/montefiorepharmacy](http://www.montefiore.org/montefiorepharmacy) and complete the Pharmacy Registration Form. Be sure to select your default delivery location as Einstein COM (Einstein Pharmacy).

The Outpatient Pharmacy will send your prescription to the Jack D. Weiler Hospital Pharmacy, 1825 Eastchester Road, Bronx, NY 10461, located on the first floor of the hospital, where you can pick it up. All prescriptions requested by 11:00 a.m. will be ready for pick up after 2:00 pm that same day. The Outpatient Pharmacy is only available Monday through Friday, 8:00 a.m. to 5:00 p.m.

#### If You Enroll in the MontePrime EPO Plan

The MontePrime EPO Plan provides prescription drug benefits ONLY through the Montefiore Community Outpatient Pharmacy. We recognize that there may be times when the Montefiore Outpatient Pharmacy may not be the best or fastest option available to you for filling your prescriptions and rather than wait, there is an option available to you on an exception basis.

Einstein has made special arrangements to reimburse you for drugs purchased at a retail pharmacy due to the following exceptions:

- If you need to have a prescription filled to treat an acute illness on an emergency basis and you have missed the 11:00 a.m. deadline for same day delivery to the Einstein Pharmacy, or
- If you need to have a prescription filled in the evenings or on the weekend when the Montefiore Outpatient Pharmacy is closed.

On an exception basis, you can fill your prescription at a retail pharmacy but you will have to pay the full cost for the medication. You will receive reimbursement of your out of pocket costs (less any copays/coinsurance that may apply). If you use a pharmacy in the Express Script (ESI) network (CVS, or Rite Aid), your reimbursement will be higher than if you use a pharmacy that is not in the ESI network. Submit your receipts along with the Prescription Drug Reimbursement form to the Benefits Office, Room 1201, Belfer Building for processing. Since the reimbursements are processed directly by ESI, it may take 3-4 weeks to receive your reimbursement.

### Prescription Drug Out-of-pocket Maximum

Your out-of-pocket prescription drug expenses are limited to:

- MontePrime EPO — \$750 for any one covered person (\$1,500 for a family) for prescriptions obtained from Montefiore outpatient pharmacies.
- MonteCare PPO — \$1,500 for any one covered person (\$3,000 for a family) for prescriptions obtained from Montefiore outpatient pharmacies, Express Scripts, participating retail pharmacies, the home delivery pharmacy service and out-of-network pharmacies.

Once that maximum is reached, the Plan pays 100% of any remaining prescription drug expenses for that individual for the rest of the calendar year.

If you purchase a brand name medication (preferred or non-preferred) when a generic equivalent is available, you are responsible for the retail or mail order generic copayment plus the difference in cost between the generic and the brand name medication. The difference in cost between generic and the brand name medications is not included in the out-of-pocket maximum and is not eligible for 100% reimbursement after the out-of-pocket maximum has been met.

## FSA/LIFE INSURANCE/GROUP LEGAL

### Flexible Spending Accounts

If you are not supported by an NIH Training Grant, you can establish a Flexible Spending Account (FSA) to pay out-of-pocket healthcare and/or dependent care expenses for you and your family members with dollars that are never taxed. Your contributions are deducted from each bi-weekly paycheck before taxes are calculated and withheld, lowering your taxable income.

- Use the Healthcare Account to pay out-of-pocket healthcare expenses for you and anyone you claim as a dependent on your federal income tax return – as well as children to age 26, regardless of whether they are dependent upon you – and whether or not they are enrolled in Montefiore's medical and/or dental plans. You may contribute up to \$2,750 each year to this account.
- Use the Dependent Care Account to pay day care related expenses for children under age 13 and/or an incapacitated adult you claim as a dependent on your federal income tax return. The care must be necessary so that you (and your spouse if you are married) can work. You may contribute up to \$5,000 each year to this account.

### Life Insurance

Life Insurance is designed to pay a benefit to your beneficiary if you die from any cause while coverage is in effect. Einstein provides \$50,000 of Basic Life Insurance coverage.

### Group Legal Services

Are you buying a home, getting married or planning to adopt a child? Discover how Hyatt Legal Plans can help you. This coverage helps pay all or part of the cost of a wide range of personal legal services – for you and your covered family members – through a network of participating attorneys. You pay the full cost of coverage through regular payroll deductions on an after-tax basis. You may use any lawyer, although a greater portion of your cost is generally paid if you use the services of an in-network attorney.

If you elect Group Legal Services, the semi-monthly cost is:

- \$4.12 for yourself
- \$5.62 for you and your family

# DISABILITY

## Disability

Disability benefits continue part or all of your earnings if you are ill or injured and unable to work. Benefits are provided under the following programs:

- **Paid Time Off** – If you are not supported by an NIH Training Grant, post-doctoral research fellows accrue one day of paid time off per month worked (maximum of 12 days a year) and 20 days of vacation pay.
- **Short Term Disability** – includes Paid Sick Leave, Supplementary Sick Pay and New York State Statutory disability benefits for up to 26 weeks. After you have exhausted your Paid Sick Leave, Supplementary Sick Pay provides 2/3 of your annual base earnings up to a maximum weekly benefit of \$1,300, inclusive of New York State Statutory Disability and Worker's Compensation benefits.

## FINANCIAL SECURITY

### Einstein 403(b) Retirement Income Plan

The Einstein 403(b) Retirement Income Plan is a defined contribution plan administered by Fidelity Investments. If you are not supported by an NIH Training Grant, you can choose to contribute on a pre-tax basis which reduces your taxable income now, or you can choose to make Roth after-tax contributions to the plan or a combination of both.

#### Pre-tax Contributions

Your before-tax contributions are deducted from your paycheck and accumulate earnings on a tax-deferred basis. Qualified distributions of your contributions and earnings are taxable at the time of withdrawal.

#### Annual Increase Program (AIP)

The Annual Increase Program allows you to increase your contributions automatically each year. It's an easy way to help keep yourself on track, as you get closer to retirement. Choose the amount and date for your contributions to increase by the amount you elected.

#### Roth Elective Deferral Post-tax Option

If you participate in the Einstein 403(b) Retirement Income Plan you may also make after-tax (Roth Elective Deferral) contributions to the plan. An after-tax contribution means that the contribution is taken out of your pay after taxes have been withheld. Qualified distributions of Roth after-tax contributions plus any earnings on those contributions will be tax-free; assuming certain conditions are met.

#### Maximum Contributions

You may simultaneously make both pre-tax elective deferral contributions and Roth after-tax elective deferral contributions to the Einstein 403(b) Retirement Income Plan. However, the combined maximum elective deferral contribution cannot exceed the annual Internal Revenue Service maximum. For 2020, you can save up to a maximum of \$19,500 each year. If you are 50 or older in 2020, you can make an additional catch-up contribution of \$6,500.

Log on to NetBenefits at [www.netbenefits.com/atwork](https://www.netbenefits.com/atwork) or call the Fidelity Retirement Service Center at **800.343.0860**.

- Set up your username and password to access your account.

## VOLUNTARY BENEFITS

Einstein's Voluntary Benefits present a variety of products and services for you and your family. Some offer group discounts and the convenience of payroll deduction. You have direct access and control of your benefits and can enroll at any time during the year.

### Commuter Benefits Program

If you are not supported by an NIH Training Grant, whether you use mass transit, drive or a combination of both, you can save money just about any way you commute to work.

Through the Commuter Benefits Program you can qualify for significant tax advantages when you pay your mass transit and parking expenses through pre-tax payroll deductions. Your contributions are automatically deducted from your paycheck before taxes are calculated and withheld. This lowers your taxable income, so you save money on taxes!
