HEALTHCARE

Medical

Einstein offers two Medical options from which you can choose – MontePrime EPO and MonteCare PPO – or you can waive coverage.

< Provider Networks

MontePrime EPO and MonteCare PPO both use provider networks. However they are not identical:

- MontePrime EPO requires you to use in-network providers to receive benefits. No benefits are paid for out-of-network care except in a bona fide emergency.
- MonteCare PPO gives you the flexibility to choose any provider you wish (however, you'll pay more for healthcare services from Network Non-preferred Facilities).

Care Guidance

The Care Guidance Program for Einstein employees provides you with a Personal Health Nurse (PHN) who will work one-on-one with you for as long and as often as you need. This is a voluntary program that can provide support and resources to help you, or a member of your family, manage your or their health. Einstein provides this program at no cost to Einstein employees and their family members who are covered by Montefiore's Empire BlueCross BlueShield medical plans. All services are completely confidential and at any point in time, you have the opportunity to OPT OUT of the program. For more information, call 855.MMC. WELL (855.662.9355) or email mmccareguidance@montefiore.org.

¹ Pre-certification will ensure that services are medically necessary and provided in an appropriate treatment setting.

² Reasonable and Customary charges are based on 150% of the National Medicare Physician Fee Schedule. The Plan benefit is then determined by applying the cost-sharing percentage to this amount; you are responsible for paying the balance of the bill to the provider.

³ If services are billed by a facility, then percentages are applied to covered charges which are based on the rate paid to like-kind Empire in-network facilities if the facility is within the Empire area (i.e., the New York metropolitan area including NJ and CT) or the facilities actual charge if it outside of the Empire area.

HEALTHCARE

Prescription Drug Benefits

Montefiore Community Outpatient Pharmacy

You may use the Montefiore Community Pharmacy at Montefiore Moses Hospital, 110 East 210th Street, Bronx, NY 10467 to have your prescriptions electronically prescribed.

To begin, you must enroll in the Montefiore Outpatient Management System. To enroll, go to www.montefiore.org/montefiorepharmacy and complete the Pharmacy Registration Form. Be sure to select your default delivery location as Einstein COM (Einstein Pharmacy).

The Outpatient Pharmacy will send your prescription to the Jack D. Weiler Hospital Pharmacy, 1825 Eastchester Road, Bronx, NY 10461, located on the first floor of the hospital, where you can pick it up. All prescriptions requested by 11:00 a.m. will be ready for pick up after 2:00 pm that same day. The Outpatient Pharmacy is only available Monday through Friday, 8:00 a.m. to 5:00 p.m.

If You Enroll in the MontePrime EPO Plan

The MontePrime EPO Plan provides prescription drug benefits ONLY through the Montefiore Community Outpatient Pharmacy. We recognize that there may be times when the Montefiore Outpatient Pharmacy may not be the best or fastest option available to you for filling your prescriptions and rather than wait, there is an option available to you on an exception basis.

Einstein has made special arrangements to reimburse you for drugs purchased at a retail pharmacy due to the following exceptions:

- If you need to have a prescription filled to treat an acute illness on an emergency basis and you have missed the 11:00 a.m. deadline for same day delivery to the Einstein Pharmacy, or
- If you need to have a prescription filled in the evenings or on the weekend when the Montefiore Outpatient Pharmacy is closed.

On an exception basis, you can fill your prescription at a retail pharmacy but you will have to pay the full cost for the medication. You will receive reimbursement of your out of pocket costs (less any copays/coinsurance that may apply). If you use a pharmacy in the Express Script (ESI) network (CVS, or Rite Aid), your reimbursement will be higher than if you use a pharmacy that is not in the ESI network. Submit your receipts along with the Prescription Drug Reimbursement form to the Benefits Office, Room 1201, Belfer Building for processing. Since the reimbursements are processed directly by ESI, it may take 3-4 weeks to receive your reimbursement.

Prescription Drug Out-of-pocket Maximum

Your out-of-pocket prescription drug expenses are limited:

- MontePrime EPO – \$750 for any one covered person (\$1,500 for a family) for prescriptions obtained from Montefiore outpatient pharmacies.
- MonteCare PPO – \$1,500 for any one covered person (\$3,000 for a family) for prescriptions obtained from Montefiore outpatient pharmacies, Express Scripts, participating retail pharmacies, the home delivery pharmacy service and out-of-network pharmacies.

Once that maximum is reached, the Plan pays 100% of any remaining prescription drug expenses for that individual for the rest of the calendar year.

If you purchase a brand name medication (preferred or non-preferred) when a generic equivalent is available, you are responsible for the retail or mail order generic copayment plus the difference in cost between the generic and the brand name medication. The difference in cost between generic and the brand name medications is not included in the out-of-pocket maximum and is not eligible for 100% reimbursement after the out-of-pocket maximum has been met.

HEALTHCARE

Dental

You can waive coverage or select one of the following two options:

- Cigna Dental Care (DHMO) Plan – With a DHMO plan, you choose a DHMO network general dentist to manage your dental care and refer you to any specialists you may need.

| Annual Deductible | None | \$100 individual/ \$300 family (for basic, major and orthodontic services combined) |
