### WHAT’S NEW FOR 2016

#### Medical

**Expanded Montefiore Facility Network**

As an affiliate of Montefiore Health System, the White Plains Hospital facility will be joining the Montefiore Facility Network. White Plains Hospital is located at 41 East Post Road, White Plains, NY **914.681.0600**. Providers at White Plains Hospital will be in-network *only* if they participate in one of the physician networks shown below.

The Montefiore Provider Network includes:

| Hospitals and Other Facilities | Moses, Weiler, Wakefield, Westchester Square, The Children’s Hospital at Montefiore, Montefiore Mount Vernon Hospital, Montefiore New Rochelle Hospital, White Plains Hospital, Montefiore Ambulatory Surgical Facilities, Montefiore Imaging Center, Montefiore Department of Radiology, Advanced Endoscopy Center and NY GI Center |
| Skilled Nursing Facility, Hospice | Empire BlueCard PPO Network and Schaffer Extended Care Center |
| Laboratories | Quest Laboratories, LabCorp, Moses, Weiler, Wakefield, Westchester Square, The Children’s Hospital at Montefiore, Montefiore Mount Vernon Hospital, Montefiore New Rochelle Hospital |
| Pharmacies | Moses and Weiler outpatient pharmacies |
| Physicians, Therapists and Counseling for Mental Health and Substance Abuse | Montefiore Integrated Provider Association (MIPA)  
  Empire BlueCard PPO Network  
  Montefiore Behavioral Care Integrated Provider Association (MBCIPA)  
  Empire Behavioral Health Network |

Keep in mind, when you use a Montefiore provider, there is no deductible and your share of the cost is usually less than when you use the Empire BlueCard PPO Network.
Increased Prescription Drug Out-of-pocket Maximums

The maximum out-of-pocket limits for medical and prescription drug coinsurance and copayments will increase for 2016, as shown in the following table.

<table>
<thead>
<tr>
<th></th>
<th>MontePrime EPO</th>
<th>MonteCare PPO</th>
</tr>
</thead>
<tbody>
<tr>
<td>Prescription Drug – Copayments + Coinsurance</td>
<td>$750/$1,500</td>
<td>$1,500/$3,000</td>
</tr>
</tbody>
</table>

Note: Does not include the difference between the cost of generic and brand name drugs when a generic equivalent is available.

Once your share of eligible expenses reaches the out-of-pocket maximum, the plan pays 100% of covered services for the remainder of the calendar year. If you are enrolled for family coverage and one family member reaches the individual out-of-pocket maximum amount, the plan will pay 100% of that family member’s eligible expenses for the rest of the calendar year. The expenses of any remaining family member or members would then be applied to the family maximum amount. No one individual is required to pay more than the individual out-of-pocket amount.

Revised Definition of Reasonable and Customary

Effective January 1, 2016, reasonable and customary charges for out-of-network services will be based on 150% of Medicare’s National Provider Rate. The Plan benefit is then determined by applying the cost-sharing percentage (70%/80%) to this amount; you are responsible for paying the balance of the bill to the provider.

Prior Authorization for Specialty Medications

Specialty medications must receive prior authorization before filling a prescription through Montefiore’s outpatient pharmacies and Express Scripts participating retail or specialty (Accredo) pharmacies.

Prior Authorization insures that drugs are being used for their designed purpose. Express Scripts will review your prescription to determine if it qualifies for drug coverage based on nationally accepted clinical guidelines and standards.

If you are taking drugs that require prior authorization, Express Scripts will notify you and provide you with instructions for a coverage review.
Medical Insurance Premiums

The medical plans use stipend bands to determine medical premium contributions. The stipend bands will be restructured – increasing the number of bands from four to seven to better balance medical premium contribution levels with the ability to pay. The impact of the new stipend bands – and your medical premium contributions – will depend on whether or not you use tobacco, the medical plan option you select and whether you elect single or family coverage.

2016 Bi-weekly Premium Contributions

Bi-weekly medical premium contributions for 2016 for non-tobacco users are shown below.
2016 Tobacco Use Surcharge

If you use tobacco, you will pay your regular medical premium contributions plus an additional 20%. You are considered a non-tobacco user if:

- You have not used tobacco products of any kind during the 6 months immediately before December 31, 2015
  or
- You indicate your intention to and arrange for a consultation with OHS to obtain counseling and a referral for Free Nicotine Replacement Therapy by December 31, 2015.

If you do not answer the tobacco use question during the Annual Benefits Election Period, you will pay the tobacco premium contribution surcharge for your medical coverage – even if you are not a tobacco user. Be sure to answer honestly. Failure to accurately respond to the tobacco use question is a violation of Montefiore policy that may subject you to disciplinary action.

Note: If you answered the tobacco use question last year and have not changed your tobacco use (either stopped or started), you do not need to answer the question again.

2016 Bi-weekly Vision Premium Contributions

Spectera Vision Plan High and Low Option premium contributions will continue unchanged for 2016.

Dental

New Dental Plan Administrator
Cigna will be the new Dental Plan Administrator for:

• Preventive & Diagnostic Dental Care

• Cigna Dental PPO (DPPO) – With a DPPO plan, you can visit any licensed dentist or specialist without a referral. Once you meet your deductible, the DPPO pays a percentage of eligible dental expenses covered by the plan. Total Cigna DPPO Network offers two levels of potential savings from providers:
  ■ Cigna DPPO Advantage Dentists may provide a better benefit level with greater savings
  ■ Cigna DPPO Dentists may provide a lesser benefit level while still offering savings

• Cigna Dental Health Maintenance Organization (DHMO) – With a DHMO plan, you choose a DHMO network general dentist to manage your dental care and refer you to any specialists you may need. There are no annual maximum benefits, deductibles or claim forms to file.

You can find a network dentist or specialist online at Cigna.com or sign up at myCigna.com for your personalized website. You may also call Customer Service at 800.Cigna24 (800.244.6224).

Cigna DPPO – Higher Annual Maximum Benefit
If you enroll in the Cigna DPPO, you may increase your annual maximum benefit by $1,000 (up to $2,500) if you use a dentist in Montefiore’s Department of Dentistry. Otherwise, the annual maximum benefit will be $1,500 for each covered person.

Pre-Tax Spending Accounts

Easy-to-use Spending Accounts let you pay for essential healthcare, child and elder care and commuter expenses with money deducted from your paycheck before you pay taxes on it. By contributing a portion of your payroll dollars on a before-tax basis, you reduce your taxable income and set funds aside to cover eligible expenses. You may make tax-free contributions to a:

- **Commuter Benefits Account** – to pay for public transportation and parking, which you use in conjunction with your daily commute to work.

- **Healthcare Flexible Spending Account** – to pay for out-of-pocket medical, dental, and vision care expenses. The annual maximum contribution is $2,550. That amount will continue in effect, even if the IRS increases the permitted maximum in the future.

- **Dependent Care Flexible Spending Account** – to pay for preschool, summer day camp, before/after school programs, and child or elder daycare. The $5,000 annual maximum contribution to the Dependent Care Account applies to you and your working spouse.

If you want to participate in the Healthcare and/or Dependent Care FSA for 2016, you must make a new election. Your 2015 FSA elections will not automatically continue for 2016. You may elect to make contributions to the Commuter Benefits Account any time during the year.
Life Insurance

Evidence of Insurability (EOI)

Principal Life Insurance is introducing a new, efficient, online process for submitting Evidence of Insurability (EOI). EOI is required if you make any of the following changes:

- Basic Life Insurance – If you previously elected $50k coverage and elect one times your annual stipend
- Supplemental Life Insurance:
  - If you previously elected one or two times your annual stipend and wish to increase your coverage by any multiple.
  - You previously waived coverage and now wish to elect Supplemental Life Insurance.
  - Your current Supplemental Life Insurance is equal to or greater than three times your annual stipend and you wish to increase your coverage.

If your life insurance election requires EOI, you will receive an email with a link to a secure, encrypted website. After you answer the health questions and submit the form with your electronic signature, you will receive a return email advising that your request is either auto approved or declined. Under certain circumstances, a Principal Life representative may arrange for a telephone interview. If you do not respond to additional steps to collect health information, the request will be closed.

If your election requires EOI, coverage and contributions won’t begin until you receive written approval from the insurance company.

Voluntary Tax Deferred Annuity 403(B) Plan

This is a good time to review your savings strategy.

• If you are not currently participating, consider starting with a small contribution. Even a small amount contributed over time can add up to a significant sum.

• If you are participating, consider increasing your contributions. Remember, the more you save, the more this Plan can do for you.

Pre-tax Contributions

Savings through the Voluntary Tax Deferred Annuity 403(b) Plan provides you with several advantages you don’t get if you save on your own.

• Your before-tax contributions are automatically deducted from your paycheck. Your account is credited with investment earnings based on your portfolio’s performance and accumulate tax-free while they remain in the Plan.

• After age 59 ½, pre-tax contributions plus any earnings on those contributions are subject to income taxes at the time of withdrawal. If you make an early withdrawal, there is an additional 10% penalty tax on early distributions.

• You may be eligible to borrow against your account and under certain circumstances you may even make a withdrawal.

Roth Elective Deferral Post-tax Option

You may simultaneously make both pre-tax elective deferral contributions and Roth after-tax elective deferral contributions to the Voluntary Tax Deferred Annuity 403(b) Plan. However, the combined maximum elective deferral contribution cannot exceed the annual Internal Revenue Service maximum.

An after-tax contribution means that the contribution is taken out of your pay after taxes have been withheld.

Qualified distribution of Roth after-tax contributions plus any earnings on those contributions will be tax-free if you are at least 59½ years old and have maintained the Roth elective deferral account for at least five years. If the distribution is not qualified, your earnings on the after-tax contributions are subject to income taxes at the time of withdrawal and a 10% early distribution tax.

Maximum Contributions

Maximum contributions are determined by the IRS and are adjusted annually. In addition, if you are age 50 or older you can make an additional “catch-up” contribution.

<table>
<thead>
<tr>
<th>If you:</th>
<th>The maximum you can contribute is:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Are under age 50</td>
<td>$18,000</td>

<tr>
<td>Additional Catch-up Contribution Age 50 or Older:</td>
<td>$6,000</td>
</tr>
<tr>
<td>Total Voluntary Tax Deferred Annuity Contribution Age 50 or Older:</td>
<td>$24,000</td>
</tr>
</tbody>
</table>

At any time during the year, to elect the Voluntary Tax Deferred Annuity 403(b) Plan, change your election and/or if you are eligible for and want to make a “catch-up” contribution, contact The Principal Financial Group at 800.547.7754 or go online to www.principal.com.
