## HEALTHCARE

### Medical

Your Medical benefits pay for a variety of medical services and supplies in and out of the hospital. As an eligible registered nurse, you can choose Montefiore's Registered Nurses Health Plan, or you can elect no coverage. The Registered Nurses Health Plan is designed to encourage you to make use of Montefiore providers and facilities. Of course, you're free to use any physician or facility you choose.

### Care Guidance

Montefiore also offers a confidential, personal health management program that provides health and lifestyle support to associates and their family members who are covered by Montefiore's medical plans. It's entirely voluntary, completely confidential and totally free! For more information, call 855.MMC.WELL (855.662.9355) or email [mmccareguidance@montefiore.org](mailto:mmccareguidance@montefiore.org).

### Preferred Provider Networks

### Cost

If you are a regular full-time RN, Montefiore pays the full cost of medical coverage for you and your eligible family members. Eligible part-time nurses are required to contribute toward the cost of coverage on a pro rata basis based on the number of hours worked.

Your share of expenses for prescriptions obtained from Montefiore outpatient pharmacies, Express Scripts participating retail pharmacies, home delivery pharmacy service or out-of-network pharmacies is limited to \$1,250 for any one covered person (\$2,500 for a family) in a calendar year. Once that maximum is reached, the Plan pays 100% of any remaining prescription drug expenses for that individual for the rest of the calendar year.

If you purchase a brand name medication (preferred and non-preferred) when a generic equivalent is available, you are responsible for the retail or mail order generic copayment plus the difference in cost between the generic and the brand name medication. The difference in cost between generic and the brand name medications is not included in the out-of-pocket maximum and is not eligible for 100% reimbursement after the out-of-pocket maximum has been met.

Your before-tax contributions are deducted from your paycheck and accumulate earnings on a tax-deferred basis. Qualified distributions of your contributions and earnings are taxable at the time of withdrawal.

#### Annual Increase Program (AIP)

The Annual Increase Program allows you to increase your contributions automatically each year. It's an easy way to help keep yourself on track, as you get closer to retirement. Choose the amount and date for your contributions to increase by the amount you elected.

#### Roth Elective Deferral Post-tax Option

If you participate in the Voluntary Tax Deferred Annuity 403(b) Plan you may also make after-tax (Roth Elective Deferral) contributions to the plan. An after-tax contribution means that the contribution is taken out of your pay after taxes have been withheld. Qualified distributions of Roth after-tax contributions plus any earnings on those contributions will be tax-free.

#### Maximum Contributions
