Your insurance has been designed to provide financial help for you when a covered loss occurs. This plan has chosen benefits provided by a Group Policy issued by Us, Principal Life Insurance Company. To the extent that benefits are provided by the Group Policy, the administration and payment of claims will be done by Us as an insurer.

Members rights and benefits are determined by the provisions of the Group Policy. This booklet briefly describes those rights and benefits. It outlines what you must do to be insured. It explains how to file claims. It is your certificate while you are insured.

THIS BOOKLET REPLACES ANY PRIOR BOOKLET THAT YOU MAY HAVE RECEIVED. If you have any questions about this new booklet, please contact your employer. In the event of future plan changes, you will be provided with a new booklet-certificate or a booklet-certificate rider.

If you have an electronic booklet, paper copies of this booklet-certificate are also available. Please contact your Policyholder if you would like to request a paper copy.

PLEASE READ YOUR BOOKLET CAREFULLY. We suggest that you start with a review of the terms listed in the DEFINITIONS Section (at the back of the booklet). The meanings of these terms will help you understand the insurance.

The group insurance policy and your coverage under the Group Policy may be discontinued or altered by the Policyholder or Us at any time without your consent.

The insurance provided in this booklet is subject to the laws of the state of NEW YORK.

LONG TERM DISABILITY INSURANCE**

Termination, Continuation, and Reinstatement

Termination of Insurance

Your insurance will terminate on the earliest of:

- a. the date the Group Policy is terminated; or
- b. the date the last premium is paid for your insurance; or
- c. for contributory insurance, any date desired, if requested by you before that date; or
- d. the date you cease to be a Member as defined; or
- e. the date you cease to be in a class for which Member Insurance is provided; or
- f. the date you cease Active Work except as provided below.

Termination of insurance for any reason described above will not affect your rights to benefits, if any, for a Disability that begins while your insurance is in force under the Group Policy. You are considered to be continuously Disabled if you are Disabled from one condition and, while still Disabled from that condition, incur another condition that causes Disability.

Continuation

You may qualify to have your insurance continued under one or more of the continuation provisions below. If you qualify for continuation under more than one provision, the longest period of continuation will be applied, and all periods of continuation will run concurrently.

Continuation and Reinstatement - Sickness, Injury, or Pregnancy

If you cease Active Work due to sickness, injury, or pregnancy, your insurance can be continued subject to payment of premium, until the earliest of:

- a. the date insurance would otherwise terminate as provided in items a. through e. above; or
- b. the end of the Insurance Month in which you recover; or
- c. the date 180 days after Active Work ends.

If a Benefit Payment Period is established, your insurance will be reinstated if you return to Active Work for the Policyholder within six months of the date the Benefit Payment Period ends. Your reinstated insurance will be in force on the date of return to Active Work.

If you do not qualify to have a Benefit Payment Period begin, insurance will be reinstated if you return to Active Work for the Policyholder within six months of the date insurance ceased. Your reinstated insurance will be in force on the date of return to Active Work.

Continuation for Temporary Leave of Absence, Medical Leave of Absence, Military Leave of Absence, Layoff or Sabbatical

If you cease Active Work due to a Policyholder approved unpaid leave of absence, medical leave of absence, military leave of absence, layoff, sabbatical or family medical leave, your insurance will continue if the required premium is paid.

In these circumstances, your insurance may continue as follows:

- a. For a Policyholder approved unpaid personal or educational leave of absence, through the end of the month following the date the leave begins.
- b. For a Policyholder approved unpaid medical (non-maternity) leave of absence, to the end of the month following six month from the date the leave begins.
- c. For a Policyholder approved maternity leave, to the end of the month following four months from the date the leave begins.
- d. For a Policyholder approved unpaid military leave of absence, to the end of the month following six months form the date the leave begins.
- e. For layoff, up to one month.

If you cease Active Work due to a sabbatical, your insurance can be continued, subject to premium payment, until the earlier of:

- a. the date insurance would otherwise terminate as provided in items a. through e. above; or
- b. one year after the end of the Insurance Month in which Active Work ends.

Your insurance will be reinstated if you return to Active Work for the Policyholder within six months of the date insurance ceased. Your reinstated insurance will be in force on the date of return to Active Work.

A longer reinstatement period may be allowed for an approved leave of absence taken in accordance with the provisions of the federal law regarding Uniform Services Employment and Reemployment Rights Act of 1994 (USERRA).

Continuation and Reinstatement - Family and Medical Leave Act (FMLA)

If you cease Active Work due to an approved leave of absence under FMLA, the Policyholder may choose to continue your insurance, subject to premium payment, until the date 12 weeks after the end of the Insurance Month in which Active Work ends.

- b. you then return to Active Work; and
- c. while insured under the Group Policy but before completing six continuous months of Active Work, you are again Disabled; and
- d. your current Disability and the Disability for which you completed the Elimination Period result from the same or a related cause.

A Recurring Disability will be treated as if the initial Disability had not ended, except that no benefits will be payable for the time between Disabilities. You will not be required to complete a new Elimination Period. Benefits will be payable from the first day of each Recurring Disability, but only for the remainder, if any, of the Benefit Payment Period established for the initial Disability.

DESCRIPTION OF BENEFITS

Treatment of a Mental Health Condition

Your period of Disability will be considered due to a Mental Health Condition if:

- a. you are limited by one or more of the stated conditions; and
- b. you do not have other conditions which, in the absence of the above stated conditions, would continue to exist, limit activities and lead Us to conclude that you are Disabled for another condition in and of itself.

When Disability results from a Mental Health Condition, the maximum number of Benefits Payable for all such periods of Disability is limited to 24 months. This is not a separate maximum for each such condition, or for each period of Disability, but a combined lifetime maximum for all periods of Disability and for all of these conditions, either separate or combined.

However, if at the end of that 24 months, you are confined in a Hospital or other facility qualified to provide necessary care and treatment for a Mental Health Condition, then the Benefit Payment Period may be extended to include the time during which you remain confined.

Benefits will be payable for the length of the confinement and for up to 60 days following the end of the confinement. If you are Hospital confined again during the 60-day period for at least ten consecutive days, benefits will be payable for the length of the second confinement and for up to 60 days following the end of the second confinement.

DESCRIPTION OF BENEFITS

Limitations

No benefits will be paid for any Disability that:

- a. results from willful self-injury, while sane or insane; or
- b. results from war or act of war; or
- c. results from participation in a felony; or
- d. is a new Disability that begins after a prior Benefit Payment Period has ended and you have not returned to Active Work; or
- e. is a continuation of a Disability for which a Benefit Payment Period has ended and you have not returned to Active Work (except as provided for a Recurring Disability in this booklet); or
- f. is caused by, a complication of, or resulting from a Preexisting Condition as described in this booklet.

Preexisting Conditions Limitation for Initial Insurance

A Preexisting Condition is one for which medical advice was given, treatment was recommended by or received from a Physician in the three month period before you became insured under the Group Policy.

No benefits will be paid during the first twelve months of coverage for a Disability that results from a Preexisting Condition.

NOTE: The Preexisting Condition Limitation is a waiting period and not a complete bar for coverage of those disabilities that arise within the first 12 months of coverage. The Preexisting Condition Limitation waiting period runs concurrently with the Elimination Period.

For Members employed by companies acquired by the Policyholder, the Limitation for Initial Insurance will be waived for Members who had Long Term Disability coverage with a prior carrier on the day immediately preceding their effective date under this Group Policy.

Preexisting Conditions Limitation for Benefit Increases

A Preexisting Condition is one for which medical advice was given, treatment was recommended by or received from a Physician in the twelve month period prior to an increase in benefits or

change in the Group Policy, including increases in benefits due to a change in Monthly Earnings of 25% or greater.

The benefits and the Group Policy provisions in force immediately prior to the increase or change will be payable for the duration of a Disability that:

- a. results from a Preexisting Condition; and
- b. begins within 12 months after the effective date of the increase in benefits or change in the Group Policy provisions.

Credit for Previous Coverage

In determining whether the Preexisting Conditions Limitation applies to you, credit will be given for your satisfaction or partial satisfaction of a similar provision under a previous group or blanket disability insurance plan or policy or employer provided disability benefit arrangement, provided the previous coverage was continuous to a date not more than 60 days prior to the effective date of your insurance under this Group Policy. This credit will apply to the extent that the previous coverage or level of benefits was substantially similar to the new coverage or level of benefits.

For Members who leave employment with the Policyholder and are re-hired within 12 months from the date their employment ended, the Preexisting Conditions Limitation will not apply to a Member who had previously satisfied their Preexisting Condition period.

CLAIM PROCEDURES

Notice of Claim

Written notice of claim must be given to Us within three months after the date of loss for which claim is being made. Failure to give notice within the time specified will not invalidate or reduce any claim if notice is given as soon as reasonably possible.

Claim Forms

Claim forms and other information needed to provide proof of Disability must be filed with Us in order to obtain payment of benefits. The Policyholder will provide appropriate claim forms to assist you in filing claims. If the forms are not provided within 15 days after We receive notice of claim, you will be considered to have complied with the requirements of the Group Policy regarding proof of Disability upon submitting, within the time specified below for filing Written proof of Disability, Written proof covering the occurrence, character and extent of the loss.

Proof of Disability

Claim forms and other information needed to prove Disability should be filed promptly. Written proof that Disability exists and has been continuous must be sent to Us within six months after the date you complete an Elimination Period. Proof required includes the date, nature, and extent of the loss. Further proof that Disability has not ended must be sent when requested by Us. We may request additional information to substantiate your loss or require a Signed unaltered authorization to obtain that information from the provider. We reserve the right to determine when these conditions are met. Your failure to comply with such request could result in declination of the claim. For purposes of satisfying the claims processing timing requirements of the Employee Retirement Income Security Act (ERISA), receipt of claim will be considered to be met when the Elimination Period has been completed and the appropriate claim form is received by Us.

Proof of Disability while outside the United States

If during a period of Disability, you are residing or staying outside the United States, the following will apply:

- a. Any evidence you submit for your claim will be required to be translated by the U.S. Embassy and contain the U.S. Embassy seal.
- b. You may be required to return to the United States at a frequency We deem necessary to substantiate your claim for Disability. All expenses incurred by you for returning to the United States will be your responsibility.

- c. You must notify Us in advance of any return to the United States and your change of address.

Your failure to comply with such request could result in declination of the claim. For purposes of satisfying the claims processing timing requirements of the Employee Retirement Income Security Act (ERISA), receipt of claim will be considered to be met when the Elimination Period has been completed and the appropriate claim form is received by Us.

Payment, Denial, and Review

ERISA permits up to 45 days from receipt of claim for processing the claim. If a claim cannot be processed due to incomplete information, We will send a Written explanation prior to the expiration of the 45 days. A claimant is then allowed 45 days to provide all additional information requested. We are permitted two 30-day extensions for processing an incomplete claim if We determine that the extensions are necessary due to matters beyond Our control. Written notification, including a description of the circumstances requiring an extension and the date the claimant can expect a decision, will be sent to you regarding the extension. If a second extension is necessary, written notification of the extension will be provided prior to the expiration of the first extension.

In actual practice, benefits under the Group Policy will be payable sooner, providing We receive complete and proper proof of Disability. Further, if a claim is not payable or cannot be processed, We will submit a detailed explanation of the basis for its denial. The denial letter will include the reason why the claim was denied, the Group Policy provisions used for Our determination, information considered for Our denial, the specific information that would be needed for reconsideration and the time frames allowed under ERISA for the information to be provided.

A claimant may request an appeal of a claim denial by Written request to Us within 180 days of the receipt of notice of the denial. We will make a full and fair review of the claim. We may require additional information to make the review. We will notify you in Writing of the appeal decision within 45 days after receipt of the appeal request. If the appeal cannot be processed within the 45 day period because We did not receive the requested additional information, We are permitted a 45 day extension for the review. Written notification, including an explanation of the information We requested and the date the claimant can expect a decision, will be sent to the claimant regarding the extension. If Our review ends in denial, Our decision, the Group Policy provisions used for Our determination, information considered during your appeal, the specific information that would be needed for an additional level of review, if applicable, the time frames under ERISA for the information to be provided, and your legal rights to seek other means of resolution will be sent to you. After exhaustion of the formal appeal process, the claimant may request an additional appeal. However, this appeal is voluntary and does not need to be filed before asserting rights to legal action.

For purposes of this section, "claimant" means Member.

Report of Payments from Other Income Sources

When asked, you must give Us:

- a. a report of all payments from Other Income Sources; and
- b. proof of application for all such income for which you and your Dependents are eligible; and
- c. proof that any application for such income has been rejected.

Lump Sum Payments from Other Income Sources

If any income from Other Income Sources are payable in a lump sum (except as described below), the lump sum will be deemed to be paid in monthly amounts prorated over the time stated. If no such time is stated, the lump sum will be prorated monthly over your expected life span. We will determine the expected life span.

Lump Sum Payments under:

- a. a retirement plan will be deemed to be paid in the monthly amount which:
 - (1) is provided by the standard annuity option under the plan as identified by the Policyholder; or
 - (2) is prorated under a standard annuity table over your expected life span (if the plan does not have a standard annuity option);
- b. a Workers' Compensation Act or other similar law (which includes benefits paid under an award or a settlement) will be deemed to be paid monthly:
 - (1) at the rate stated in the award or settlement; or
 - (2) at the rate paid prior to the lump sum (if no rate is stated in the award or settlement); or
 - (3) at the maximum rate set by law (if no rate is stated and you did not receive a periodic award).

Social Security Estimates

Until exact amounts are known, We may estimate the Social Security benefits for which you and your Dependents are eligible and may include those estimates in your Other Income Sources.

If it is reasonable that you would be entitled to disability benefits under the Federal Social Security Act, We will require that you:

- a. apply for disability benefits within ten days after receipt of Written notice from Us requesting you to apply for such benefits; and

- b. give satisfactory proof within 30 days after receipt of Written notice from Us that you have applied for these benefits within the ten-day period; and
- c. request reconsideration of the application for Social Security benefits if the original application is denied, and appeal any denial or reconsideration if an appeal appears reasonable.

If actual Social Security benefits are less than estimated, any underpayment will be paid to you in a lump sum payment.

Workers' Compensation Estimates

Until exact amounts are known, We may estimate the Workers' Compensation benefits for which you are eligible and may include those estimates in your Other Income Sources.

If it is reasonable that you would be entitled to benefits under a Workers' Compensation Act or a similar law, We will require that you:

- a. apply for benefits within ten days after receipt of Written notice from Us requesting you to apply for such benefits; and
- b. give satisfactory proof within 30 days after receipt of Written notice from Us that you have applied for these benefits within the ten-day period.

If actual Workers' Compensation benefits are less than estimated, any underpayment will be paid to you in a lump sum payment.

Payments for Less Than a Full Month

The Benefit Payable for each day of any part of a Benefit Payment Period that is less than a full month will be the monthly benefit divided by 30.

Right to Recover Overpayments

If an overpayment of benefits occurs under the Group Policy, We will have the option to:

- a. reduce or withhold any future benefits We determine to be due, including the Minimum Monthly Benefit; or
- b. recover the overpayment directly from you; or
- c. take any other legal action.

Facility of Payment

Benefits under the Group Policy will be payable at the end of each month of a Benefit Payment Period, provided complete and proper proof of Disability has been received by Us.

We reserve the right to offer a lump sum payment in lieu of continued monthly payments where liability has been established for a Benefit Payment Period if agreed upon by you and The Principal.

Any unpaid balance that remains after a Benefit Payment Period ceases will be immediately payable.

We will normally pay benefits directly to you. However, in the special instances listed below, payment will be as indicated. All payments so made will discharge Us to the full extent of those payments.

- a. If payment amounts remain due upon your death, those amounts may, at Our option, be paid to your Dependent Spouse, child, parent, or estate.
- b. If We believe a person is not legally able to give a valid receipt for a benefit payment, and no guardian has been appointed, We may pay whoever has assumed the care and support of the person. Any payment due a minor will be at the rate of not more than \$200 a month.

Medical Examinations and Evaluations

We may require you to be examined by a Physician or undergo an evaluation, at reasonable intervals, during the course of a claim. We will pay for these examinations and evaluations and will choose the Physician or evaluator to perform them. Failure to attend a medical examination or cooperate with the Physician may be cause for suspension or denial of your benefits. Failure to attend an evaluation or to cooperate with the evaluator may also be cause for suspension or denial of your benefits.

Legal Action

Legal action to recover benefits under the Group Policy may not be started earlier than 60 days after proof of Disability is filed and before the appeal procedures have been exhausted. Further, no legal action may be started later than three years after that proof is required to be filed.

Time Limits

Any time limits listed in this section will be adjusted as required by law.

STATEMENT OF RIGHTS

Federal law requires that this section be included in your booklet:

As a participant in this plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA).

ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

SUPPLEMENT TO YOUR BOOKLET-CERTIFICATE

The Employee Retirement Income Security Act (ERISA) requires that certain information be furnished to each participant in an employee benefit plan. These provisions, together with your certificate of coverage, constitute the summary plan description. The summary plan description and the policy constitute the Plan. Benefit determinations are controlled exclusively by the policy, your certificate of coverage and the information contained in this document.
